Mr. Ken A. Day  
Airport Manager  
Boca Raton Airport Authority  
3700 Airport Road, Suite 304  
Boca Raton, FL 33431

RE: Boca Raton Airport, Airfield Rehabilitation Program  
Bid Tabulation and Contract Award Recommendation

Dear Mr. Day:

Enclosed for your use are a Bid Tabulation sheet, bid evaluation results, and recommendation to award for the project referenced above as provided by our subconsultant and Engineer-of-Record, CH2M Hill. The Bid Opening was conducted on May 26, 2009 following the deadline established for the submission of construction bids.

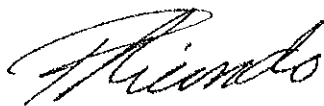

The results of the bid tabulation confirmed the accuracy of the total bid amounts submitted by each bidder. Therefore, the preliminary results declaring Hardrives, Inc. as the low-bidder have been validated. In addition, the information provided by the low-bidder (attached) confirms their commitment to satisfy and comply with the various federal contract terms included in the contract documents, including the 12% DBE goal established for this project.

As a result, based on our review of the bid package provided by the low-bidder, and contingent upon the favorable results conducted by the Authority's legal counsel relative to the adequacy of the bid bond submitted and conformance/compliance with other contract requirements, it is our recommendation that the Authority commence negotiations and related administrative actions with Hardrives, Inc. for the award of a construction contract for the Airfield Rehabilitation Program at the Boca Raton Airport. Our recommendation is also contingent on the Authority's DBE Program Coordinators review and acceptance of the DBE subconsultants proposed for this project. The amount of the construction contract will be dependent on the amount of grant funding received from the Federal Aviation Administration and the Florida Department of Transportation, which is yet unknown.

Should you have any questions regarding the information enclosed or the recommendation provided above, please do not hesitate to give me a call at 305-260-2727.

Sincerely,

RICONDO & ASSOCIATES, INC.

Pete Ricondo, P.E.  
Senior Vice President
